ERRATUM

In the paper "The Lithium-like Spectra of K xvii through Mn xxiii in the Extreme-Ultraviolet Region" by S. Goldsmith, U. Feldman, L. Oren (Katz), and L. Cohen (Ap. J., 174, 209 [1972]), the following corrections should be made:

The first line of equation (1) should read:

\[ p = 0.40684 - 0.25235(f + 0.706)^{-1}. \]

Equation (2) should read:

\[ \sqrt{P_{1/2}} = 15393\zeta + 6053 - \frac{19752}{\zeta + 2} + \Delta_r - 5\Delta_\sigma/4. \]

Equation (3) should be

\[ \Delta_\sigma = 0.365225(Z - s'). \]
