ERRATUM

In the paper “Infrared Coronal Emission Lines and the Possibility of Their Laser Emission in Seyfert Nuclei” by Matthew A. Greenhouse, Uri Feldman, Howard A. Smith, Marcel Klapisch, Anand K. Bhatia, and Avi Bar-Shalom (ApJS, 88, 23–48 [1993]), the wavelength of the $2s2p \, ^3P_1 - ^3P_2$ transition of Ne vii is listed incorrectly as 10.6 $\mu$m. The correct value is 10.06 $\mu$m. This error is typographical and does not affect the results of the paper.
